**SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT**

Applicants request consideration of the references listed on the attached PTO/SB/08a form. Copies of the non-patent literature are enclosed.

This is the second of two IDS transmittals being submitted on December 23, 2008. The IDS is being submitted in two parts due to the size constraints of the USPTO's electronic filing system. This statement is being filed after a first Office Action on the merits, but before receipt of a final Office Action or a Notice of Allowance. The fee of \$180 was submitted with the first transmittal and therefore no further fee is believed to be due with this second transmittal. Please apply any necessary charges, or any credits, to Deposit Account No. 50-2762, referencing attorney docket no. A2038-706120.

Respectfully submitted,

Kreutzer et al., *Applicants*
